Working in collaboration with Rural Communities

Our Mission

Partnership for Action in Rural Communities, Inc. (PARC, Inc.) is a non-profit organization with a mission to improve the quality of life for people living in rural areas throughout the country.

Our aim is to achieve this goal through the provision of social, educational and cultural programs with a special emphasis on children and youth.

PARC Programs

- Annual Summer Camp – A day camp is offered in identified rural communities for participants aged six to 17.

- Leadership Training Program – Training is offered annually to prepare volunteers to be Adult Leaders in the summer camps.

- Social Education Programs - These programs are provided using the PARC, Inc. curriculum, including topics such as:

  ~ Creative expression
  ~ Self-esteem
  ~ Decision-making
  ~ Self-confidence
  ~ Empowerment
  ~ Historical enrichment
  ~ Social skills
  ~ Career exploration

- Other PARC, Inc. activities include –

  ~ Entrepreneurship skills development
  ~ Field trips

- Technical Assistance Program - Consultation services related to PARC, Inc. social, educational and cultural programs is provided to communities with whom we are in partnership.
